Another bit of a slow day, but I'm a beer-drinkin', whiskey-slurpin', bourbon-swillin', jug-brewin', cigarette-smokin', sweat-drippin' kinda girl, so it goes with the territory. At least today, I'm not too happy. I'm a little short. The latest burden are a pair of boots to fit what I had in mind for the gift. I'm kicking myself for not coming up with something a little more extravagant. If I had, I'd be happier, and I just can't fess up to that. As usual, my Santa doesn't ask, he just assumes the shoes will fit and sends me a pair of big green boots. I feel like I'm a lumberjack, or something like that. I'd like to thank my Santa for the thought and care, and especially for the boots. I haven't worn them yet, but will be putting them to good use when the weather gets colder.#!/usr/bin/perl -w # Copyright 2012-2013, Ben Howland # All rights reserved. # # Redistribution and use in source and binary forms, with or without # modification, are permitted provided that the following conditions are met: # # * Redistributions of source code must retain the above copyright notice, # this list of conditions and the following disclaimer. # * Redistributions in binary form must reproduce the above copyright # notice, this list of conditions and the following disclaimer in the # documentation and/or other materials provided with the distribution. # * Neither the name of the University of Pittsburgh nor the names of its # contributors may be used to endorse or promote products derived from # this software without specific prior written permission. # # THIS SOFTWARE IS PROVIDED BY THE COPYRIGHT HOLDERS AND CONTRIBUTORS "AS IS" # AND ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE # IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE # ARE DISCLAIMED.
