
Sudden Strike 2 Map Editor

May 28, 2019 - So I just bought the game again because my old discs from the early 2000s didn't work. At the time, I really liked the map editor. Thanks Schleser. Information. Created on 30-01-2022. The Unreal Tournament 2004 map editor is one of the "three pillars" on which my choice of games was based. All other games in this collection were bought before Unreal Tournament 2004. I liked Unreal Tournament 2004 for the map editor, but not for the gameplay. I didn't like Unreal Tournament 2004 because of the very bad graphics. Therefore, I will not rate it. But the map editor is still one of the best. In my opinion, the map editor is the only worthy use of Unreal Tournament 2004 even today.
