But what about the message?Q: ReactJS filter an array of objects I am trying to filter an array of Objects, but I am having issues with the filter. If you need more information, please let me know. the array in this case is called events. I want to filter the objects that have the property "EventType" as "Horse" events = [{ EventType: "Wedding", EventDay: "2015/09/16" }, { EventType: "Animal", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/10/16" }, { EventType: "Horse", EventDay: "2015/10/16" }, { EventType: "Wedding", EventDay: "2015/10/16" }] events = events.filter(function(event) { return event.EventType == "Horse"; }); console.log(events); Thank you! A: You need to use Array#some() and in condition, use === for comparing strings. var events = [{ EventType: "Wedding", EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventType: "Horse", EventDay: "2015/10/15" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/10/15" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/10/15" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/10/15" }, { EventType: "Horse", EventDay: "2015/10/16" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventDay: "2015/09/16" }, { EventType: "Horse", EventType: "Horse", EventDay: "2015/10/15" }, { EventType: "Horse", EventDay: "2015/10/16" }, { EventType: "Animal", EventType: "Horse", EventType: "Horse", EventType: "Horse", EventType: "Horse", EventType: "2015/10/16" }, { EventType: "2015/10/16" }, { EventTy

He also sent a message to Swathi that he should not disturb her. he later said that the items will be kept at home and he will bring them to her. But later he came with a message in his mobile that he is on the way to bring the goods. When he arrives, he saw that Swathi and Ragini are already inside the house. He also notices the servants and house owner. He then tells her that he is the one who sent the goods. Swathi then becomes angry and slaps him. Deelishis then gives a message to the servants that she will not return till the night. Deelishis tells her husband that the police are coming to arrest him. She says the reason for going to jail is because of her husband's hobby. She then makes a call to the police to inform that she will not return from the house and she is going to stay with the servants. Deelishis tells her husband and tells him to call the police otherwise she will not let him go. Deelishis takes the items and leaves the house while her husband takes his phone. Deelishis calls his father and tells him that he will have to handle her husband's one call. Comes the day- Vimala is going to marry the neighbor's son Naren. At the day of the wedding, Vimala told Naren that he should not take her home with him, instead he should return home alone as both of them are not
