Upbeat, bold beats and an irresistible sensuality as only Jagz can deliver. 0 1 Add it to your favourites Go To My Favourites Remove From Favourites You have no favourites. Add to Favourites Add to favorites Remove from favorites You have no favorites. JB Jagz Le'Bigger's first release is on Supa Dupz records. 'Far From Finite' is available on limited edition 12 inch vinyl, and the digital and mixtape versions of the album are available on iTunes. Far From Finite was written and produced by Jagz Le'Bigger with co-production and programming by Buz Norris at The Dock, and mastered by Jon Sharp at I think. It was recorded, engineered and mixed over a long period of time at The Dock in and around December 2009/January 2010. The song has featured on many dance and urban compilations, including Antwerp Dance, Bigger Than You, London Beats, Get It Together, Relax, Relax and Scratch Records. Oceana Gold Oceana Gold Inc. is a Canadian mineral exploration company listed on the Canadian Securities Exchange that owns mineral properties in British Columbia and the Northwest Territories. History Oceana Gold was founded in 2006, and is based in Vancouver, British Columbia. At its core, the company is a gold exploration company with significant mineral exploration programs located in northwest British Columbia and the Yukon Territory. Oceana Gold's assets include surface exploration properties in the Kukdala area of the Fort Selkirk Mining District, an underground explorer at the site of the Granite Mine, and the Bear Mountain property near the town of Dawson Creek, British Columbia. Oceana Gold holds similar resources to its principal joint venture project, the Oceana Mine property near the town of Silverton, British Columbia. The joint venture is owned 65% by
