What's new in Mint Muse Sound Flare:

Love will be releasing their sophomore album, "Hipsters Aren't Cool", on April 21. You can grab a track from the album now as "Want U Some Way" is up for free download. Check out that track and some behind the scenes footage from the band below. Ricochet Love is currently streaming a live set of songs from their new album on their YouTube page. The band also have a new video up for "The Dirt". The video was directed by Andrew McIntosh and it features some behind the scenes footage from the band while recording the new album. The video is now online and you can watch that below. As you know, Rockfest 2010 is going on right now in Ontario Canada and Ricochet Love was invited to join the Tempo.ca crew and he agreed to tape an interview. You can now listen to the interview with the band above. The band has a new single for your listening pleasure called "Perfect Place" and it is a great song as well. The band released an interview with the EP below. The band said that the band were in Montreal recording the new song and this was their first time live at Front. Check out the EP below and give us your thoughts on the song. http://www.youtube.com/watch?v=oKQUh48T9k4&feature=PlayList&p=455986B130D90A54&playnext_from=PL&index=3 The other new song "Stinkin' Thinkin" is also great. This song is being produced by ex-Lethal Bizzle producer Autybeats and the band said that the production on this song was a complete 180. Check out the song below and it comes out via The Death Of Emerson on April 22. The band said that the song is about "rebel preachers and con men who may or may not exist. Some won't want to believe in a God, the ones that don't will be preaching about his demise and sooner or later his plan is destroyed so we let loose in anticipation of the finish line." With a string of EPs on hand, they felt that it was time to start working on their debut album "Here's To The Days That Are Gone"

which comes out May 20 via York/A

Created by Cliffski Games, The Unbreakable Gumball is a PC-based open-world superhero action game, played either on your screen or by putting on a VR headset. You play the part of Gumball, a teenage girl with a knack for science and bubblegum - a bubblegum power that gives her the ability to control matter. Elysia, a city suspended over the Atlantic Ocean in the 22nd century, is plagued by unsolvable street crime and corruption. With crime, a corrupt city government, and the development of a bad gum disease, a new gumball hero is needed to clean up the mess. You are Gumball, the only person in Elysia with the power to control bubbles, called "Puff-Crisp", that can be used to manipulate anything made of matter. The Unbreakable Gumball is a mature game for all ages that deals with mature themes like urban crime, corruption, the effect of disease on society, and other social issues. Featuring a unique comic book aesthetic, complete with fully hand-drawn cel shading and outlines, The Unbreakable

Gumball presents players with a superhero story-driven adventure game played in a bubblegum city, where everything is stylized to look like a gumball. Gameplay: Gumball's bubblegum power allows her to manipulate and carry out a large variety of actions, including:

- Constantly control the environment, by spraying vapour to create barriers and fly along walls
- Manipulate objects and enemies using "Puff-Crisp" - the ability to control anything made of matter
- Manage the environment using her guns, called the "Spark Roast" and the "Stridegun"
- Fly through the sky
- Fight enemies through air combos and attacks
- Swim underwater with air bubbles
- Swing, glide, and fight crime using Puff-Crisp - the ability to control anything made of matter
- Spark Roast - Gumball's wrench weapon
- Stridegun - the integrated bike that allows her to jump and glide

Other Gumball features include: 3 levels and multiple playable characters, each with unique abilities Original plot, side quests, challenges, and more Completely explorable city with a large open world Completely hand-drawn cel-shaded graphics

featuring full constraints and outlines Extraordinary
Gumball sound, music, and voice acting Reception
