this is a game i've been waiting on, and the fact that it is on the wii u is a big plus. i'm very

excited to see how the newest mario experience plays out. the new super mario bros. games are always a blast to play, and i'm happy that it has made its way to the wii u and that we can now play it on the big screen. hopefully, nintendo will expand the super mario series in a big way with the wii u and 3ds. the second part of the downloadable content is a free update to the game that will be available for download on playstation 4, xbox one, switch, and pc on august 1, 2020. super smash bros. ultimate update 2.0

brings a lot of fixes and improvements to the game, including balance updates to all characters as well as the addition of new moves and trophies. characters like fox, sheik, and more can now be unlocked in the story mode, as well as additional support for trophies. we are also pleased to announce that super smash bros. ultimate for nintendo switch is getting a special edition variant with a limited release. this special edition will include the game, a new reversible cover, an exclusive t-

shirt and a bonus super smash bros. ultimate poster. the cover is reversible, so it can either be a classic super smash bros. ultimate cover on one side or a classic smash bros. t-shirt on the other. the t-shirt features the classic smash bros. art style on one side and the super smash bros. logo on the other. the super smash bros. series made its debut on the original gamecube, super smash bros. melee, and was the first video game to feature classic characters like samus aran from metroid, pit from super mario

bros. 3, bowser from super mario bros. 2, and more. while previous games in the series focused on the gameplay of two characters duking it out, super smash bros. for wii u features a total of eight nintendo characters like mario, link, luigi, yoshi, donkey kong, kirby, fox, and pikachu. at the same time, the series will also feature brand-new characters to be included in the game.
