## **Libris Mortis The Book Of The Undead Pdf Download \_TOP\_**

March 25, 2005 - Libris Mortis is a 192-page hardcover book dedicated to the undead in a D&D game, priced at \$30. Like the Draconomicon, there are sections for .d20 and .sum, sections for .ch, .d3 and .ch, and a section for .d10 for beginners. If you feel like you have the makings of an undead master or just want to know what this undead faction does, then you've come to the right place. If you are a beginner, then in this section you will find brief descriptions of the basic abilities used by the undead, and the general principles that guide the undead in their actions. As you gain experience with a faction, you can begin to gather knowledge about it.
