question is whether it will be available with 4G or 5G connectivity. It looks like the 4G-variant is going to make its debut, while the higher-end phone will debut in the markets where the 5G network is available. According to Anand Shimpi of Apple Insider, Apple has started taking preorders for the new iPhones in India. He says it appears that the 4G model will be first to hit the Indian market, followed by the 5G version. The 4G model is expected to cost

around Rs 65,000 and the 5G version could be around Rs 90,000. This means that the older

The film is an adaptation of the novel The Pride of the Gray Jackets by Beniamino Bufano. Plot After a gold shipment in Venezuela is robbed, a group of criminals including the modern Robin Hood, Dante Agresti, as well as his friend Mario Giannini

(director of one of the two film's producers) decide to make a getaway. Unfortunately for Mario, he is locked up in jail and Dante has to kill a corrupt police officer in order to free him. Meanwhile, the remaining gang members, including Malatesta, kill a veterinarian who has delivered away the stolen gold. The body of the veterinarian is then washed away and another prison officer appears with the body of the deceased Mario. He then explains to

Dante and the others that Mario was arrested and sentenced to ten years' imprisonment on a charge of having violated the customs laws.
